

ReZENERate Anti-aging Facial:

The Rezenerate Modality uses our proprietary handheld cosmetic tools, The Rezenerate Wand and the Rezenerate Wand Pro, which are precision tuned to work exclusively with the Rezenerate Chip. They are all developed with verified Nano-Technology which allows for this amazing innovation. Nano-Technology will be responsible for breakthroughs in every aspect of human life and Rezenerate is proud to be using it to change the face of beauty.

What is Nano-Technology? Nano-Technology (NanoTech) is the manipulation of matter on an atomic, molecular and supramolecular scale. The manipulation of matter with at least one dimension sized from 1 to 100 nanometers. In layman's terms, it is utilizing very small tools to create never before seen results.

THE REZENERATE RESULTS:

- From 0 to 24 hours: fine lines and wrinkles will fade and the face will be plumper and more voluminous.
- Days 3-5: The old dead skin will gently begin to peel away.
- Days 7-10: A new healthier skin will begin to surface, a healthy glow will be present.
- Days 10-14: Maximal results will appear and skin will look its best. Longer term improvements from the Rezenerate Facial will continue to appear over the next 60-120 with firmer healthier skin overall.
- Facials are recommended every 2-4 weeks for optimal results and ultimately depend on individual needs.

THE REZENERATE BENEFITS:

- Little to no down time—customers can apply make up in minutes
- Days 3-5: The old dead skin will gently begin to peel away.
- Go about your daily business without concern
- Inexpensive alternative with similar results to costly treatments/procedures
- Scar-less healing
- No cross contamination
- A pain-free cosmetic alternative to harsh treatments/procedures on the market.

NOTE You must not have used Retin-A at least 3 days prior to treatment, or any other form of prescription topical tretinoin. You must not have used Accutane in 6 months.
